Danish Ali (linkdin)

### PROFESSIONAL SUMMARY

Aspiring Frontend Developer with a strong foundation in HTML, CSS, and JavaScript. Experienced in creating responsive, user-centric web applications. I am skilled in using modern tools like React, Bootstrap, Git, and Chrome DevTools. I committed to continuous learning and delivering impactful, high- performance web solutions. Strong collaborator with a creative mindset and a problem-solving attitude.

### PROJECTS

**Image Gallery** - Designed using HTML & CSS to display photo collections with a clean, responsive layout. -

**Makeup Product Page** - Built with HTML, CSS & JavaScript featuring interactive buttons and dynamic content updates. -

**Personal Portfolio Website** - Developed a personal brand site showcasing projects, skills, and contact information using responsive design principles

### ACHIEVEMENTS
